

## TIMTED 2019 International Conference "Current economic trends in emerging and developing countries" Best Paper Award Prof. Claudiu ALBULESCU, PhD

The paper entitled "CO2 emissions, renewable energy production and environmental regulation in the EU countries" (authors Claudiu ALBULESCU, Caius LUMINOSU, Alin ARTENE and Matei TĂMAȘILĂ) received the distinction of "Best Paper Award", delivered by Scientific Committee of the TIMTED 2019 International Conference "Current economic trends in emerging and developing countries", held in Timișoara, on 16 to 18 May 2018.

The purpose of TIMTED 2019 International Conference was to share most recent developments in the fields of economics and business, with a focus on emerging and developing economies. The TIMTED conference is organized every two years by the Faculty of Economics and Business Administration, West University of Timișoara, and benefits from noteworthy international participation and reputed keynote speakers.

The research conducted within the paper presented at TIMTED 2019 International Conference was supported by a grant of the Romanian National Authority for Scientific Research and Innovation, CNCS-UEFISCDI, project number, PN-II-RU-TE-2014-4-1760, project entitled "The impact of the economic and financial stability on investments, innovation process and entrepreneurial activity in the EU" (Director, Prof. Claudiu ALBULESCU).

The paper is accepted for publication in "Environmental Science and Pollution Research".
